

# East Central Iowa Transportation Safety Plan

A plan for 58 cities in Clinton, Delaware, Dubuque,  
and Jackson counties

## OVERVIEW

East Central Intergovernmental Association (ECIA) and the Institute for Transportation at Iowa State University (InTrans) are developing a transportation safety action plan to eliminate fatalities and serious injuries for all roadway users - pedestrians, bicyclists, transit users, and drivers.

## WE WANT TO HEAR FROM YOU!

Use the QR code or link below to take the survey and share your thoughts on how to make your community's roadways safer.

## CONTACT US

## OUR MISSION

Reduce and eliminate traffic fatalities and serious injuries for everyone in the plan study area.

## WHY THIS MATTERS

Once completed, actions and projects identified in this plan will help eliminate traffic crashes and address issues like reckless and distracted driving and high traffic speeds. Your input is critical to our success and will determine which transportation safety projects to prioritize.

## PROJECT GOALS

- Adopt a Transportation Safety Action Plan
- Determine physical infrastructure projects, strategies, and policies that address and reduce traffic crashes
- Apply for Federal Safe Streets and Roads for All funding. If awarded, implement safety projects.
